Payment Gateway Moyasar

- Moyasar Financial Company is a Saudi company licensed by the Central Bank of Saudi Arabia (SAMA) to provide electronic payment solutions.
- It accepts payment via Apple Pay, Mada, Credit Cards and STC Pay.

Moyasar account configuration

- First you need to api key for the integration of Moyasar to Odoo
- Login to your moyasar account > settings > API key.
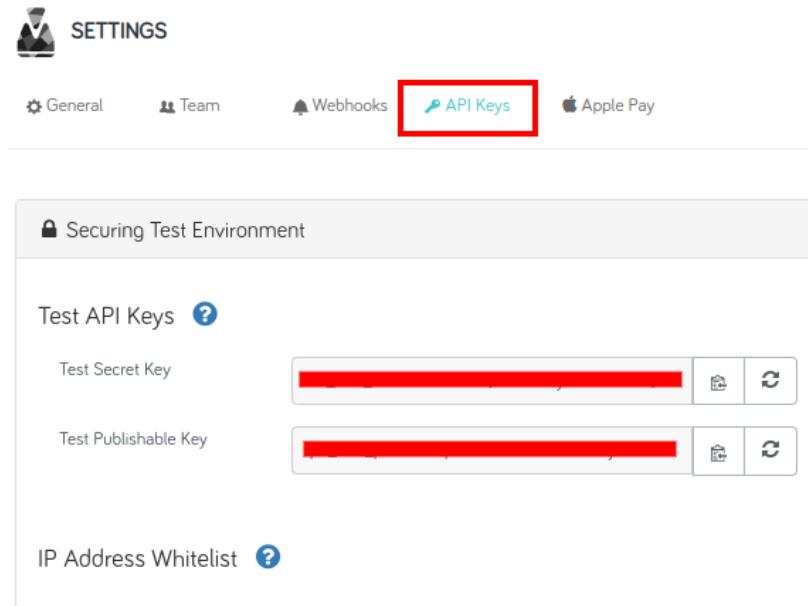

Enable Apple pay:

- In order to use Apple Pay within your website, you first need to register your domain in Apple Pay settings in your moyasar settings.
- Add Your Domain using the + Button
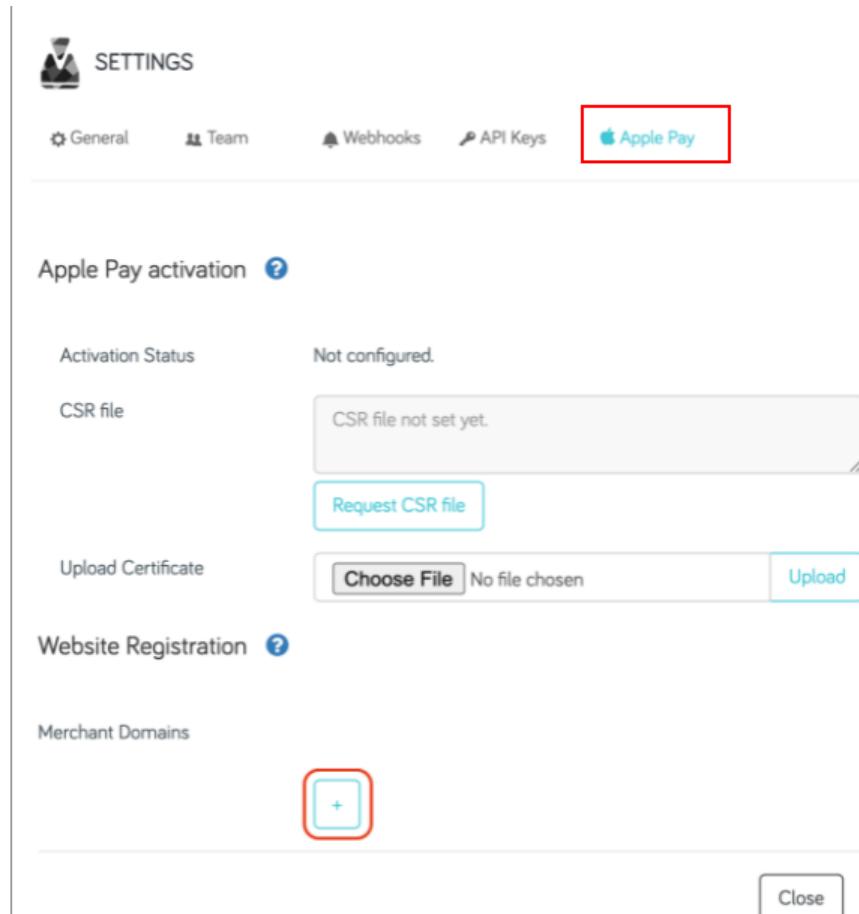

- Add your domain as shown below figure.
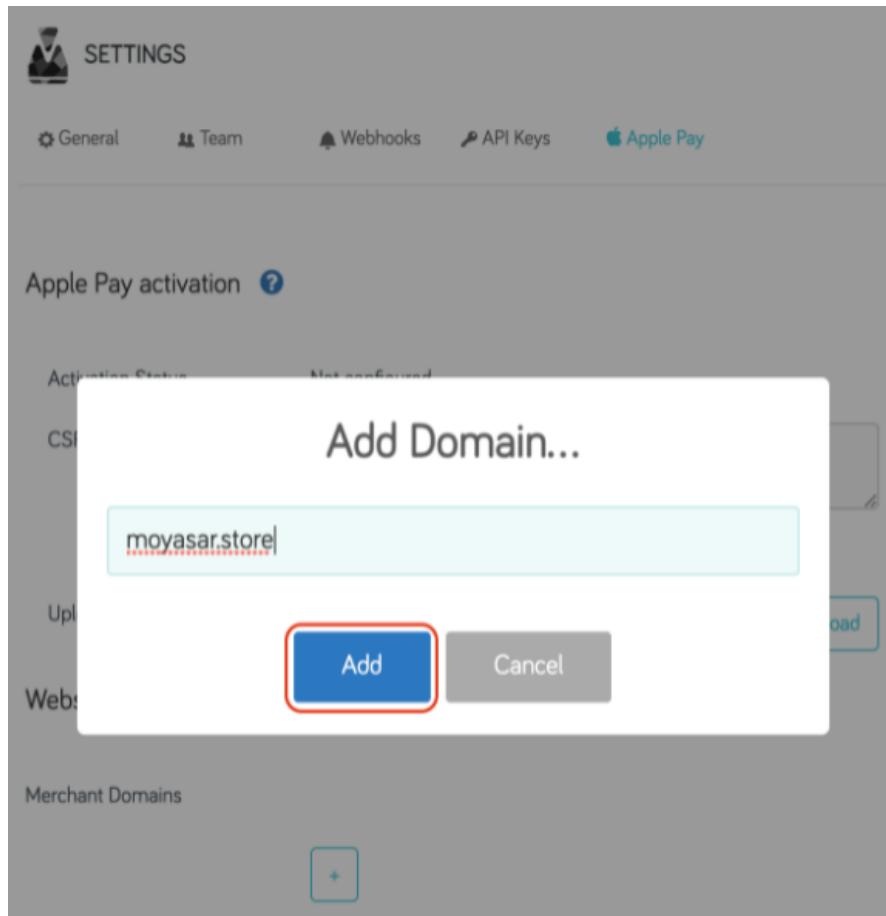

- Once you have added your domain, you will be prompted to download the Merchant Association File.
- Please note that the association file does not have a file extension apple-developer-merchantid-domain-association.
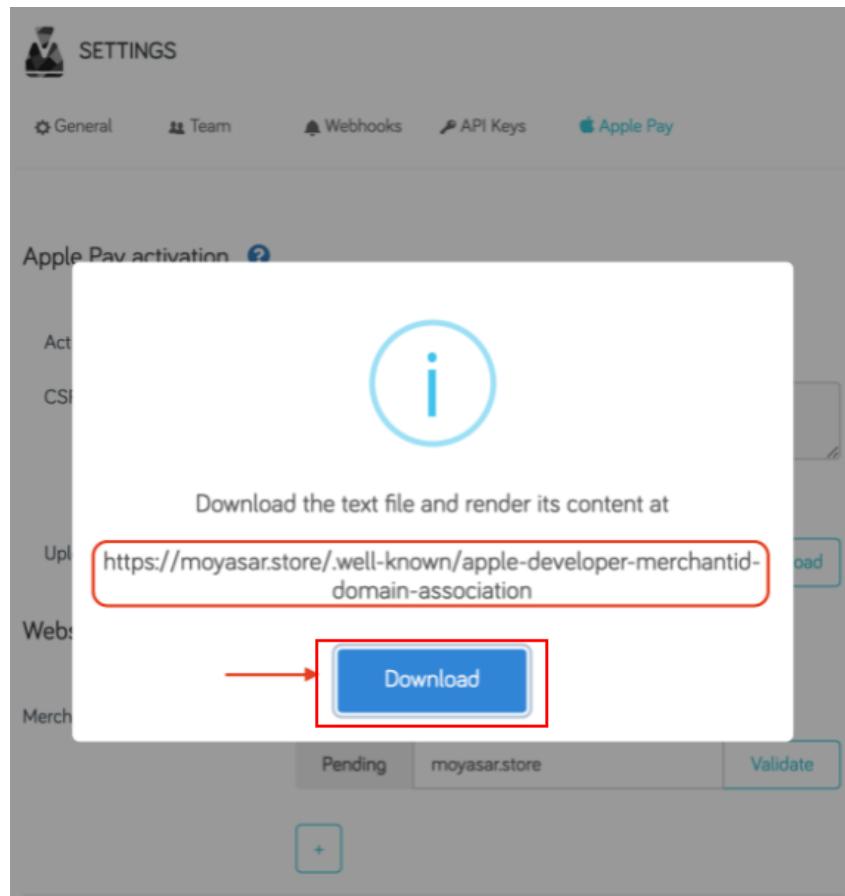

- Upload the association file to your server.
- After uploading the association file, you need to validate your domain name by clicking Validate.
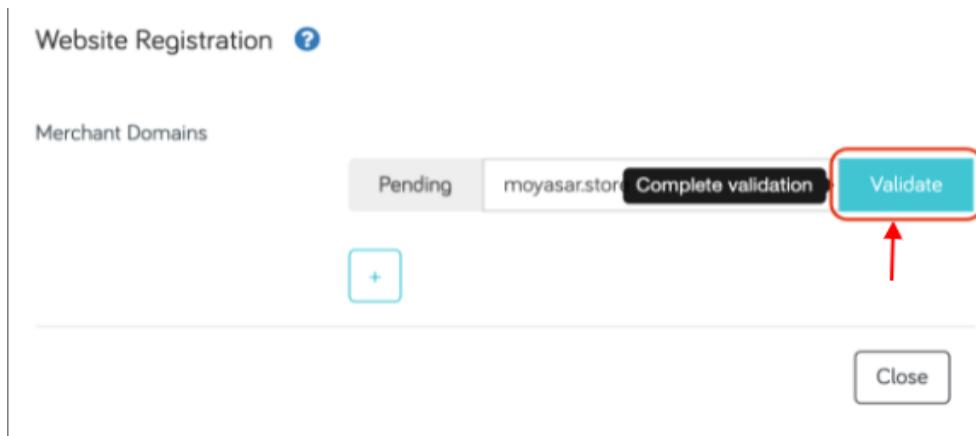

- After validating your domain name, it is now time to register it with Apple, just hit Register.
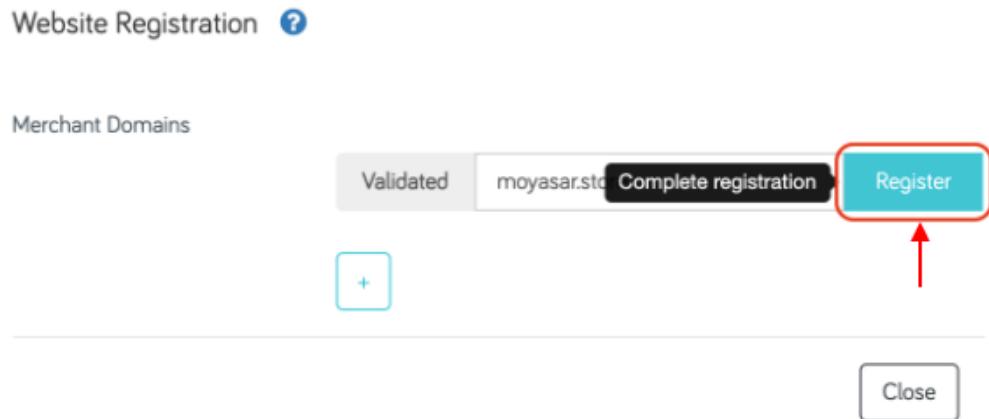

- Now, you are ready to use Apple pay also.

Odoo Configuration

- Activate the payment method Moyasar in the Odoo.
- Go to website > Configuration > Payment Acquirers.
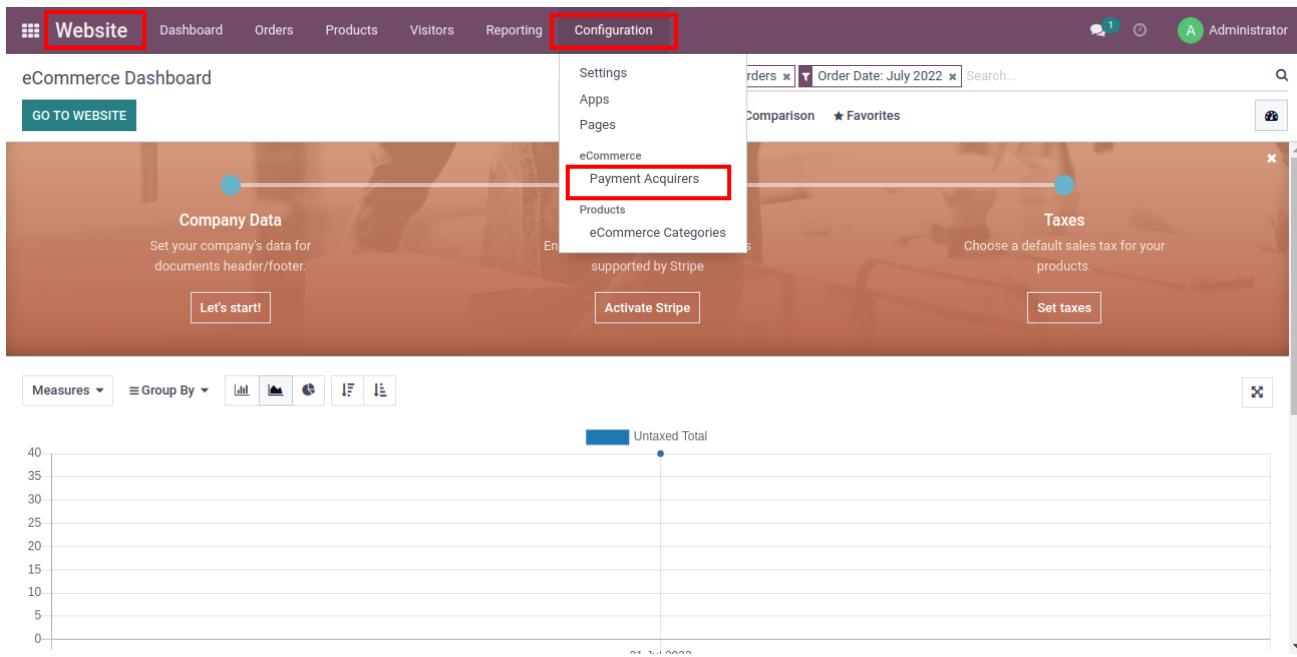

- Configure credentials and enable payment method.
